RE: NCCSA Academic Competition: Jan 30 – Feb 3

The attached schedule lists the students' names, subject tests, and times when they will go to the computer lab to complete the tests. Here are a few details everyone needs to know about the tests.

1. Students will have to miss class time to take their tests. Please accommodate them the best you can (make-up or exempt assignments, get class notes, etc.).
2. Please send students at their scheduled time. It will save us time if we do not have to call them all out individually.
3. The tests have a 90-minute time limit, but elementary students rarely take more than one hour; they usually take much less than that for non-math tests.
4. If a student is sick or cannot attend, we will work with them about making up their test. The school secretaries can help them sign up for a different session. If we have several who miss their session, we may schedule make-up sessions the following week.
5. Be aware of the competition's calculator policy:
 - a. Graphing calculators are allowed only in the following senior high categories that require math computation: Algebra I, Algebra II/Geometry, Advanced Math, Accounting, Biology, Chemistry, and Physics.
 - b. The following will not be permitted:
 - i. Calculators for any elementary, junior high, or any senior high categories other than mentioned above
 - ii. Calculators that use paper tape or printers
 - iii. Hand-held computers, programmable calculators, or any device (other than the graphing calculators mentioned above) that performs basic and/or advanced mathematical calculations
6. This schedule has been placed in the Teacher Dropbox if you need to access it.
7. Session Times:

<u>SESSIONS</u>	<u>DAY</u>	<u>TIME</u>	<u>STUDENTS</u>
1	Monday	8:30	16
2	Monday	9:30	16
3	Tuesday	8:30	17
4	Tuesday	9:30	19
5	Tuesday	11:00	12
6	Wednesday	8:30	17
7	Wednesday	9:30	18
8	Thursday	8:30	17
9	Thursday	9:30	8
10	Thursday	11:00	Make-up or extended time
