

### **SACS – Southeastern Association of Christian Schools 9<sup>th</sup>-12<sup>th</sup> grade students**

SACS is a competition attended by area Christian Schools to give high school students an opportunity to discover, improve, and use their God-given talents and abilities.

The competition is a 3 day/2 night event. We will travel to the host school. The school will pay the registration for each participant. The student is responsible for the hotel and meal expenses.

The dates for SACS 2019 are March 27-29 and the host school is Cramerton Christian School in Charlotte, NC.

Our high school teachers will be attending will be attending this competition, so there will be no classes on campus during the competition.

We encourage all students to participate in any category they can.

These are a number of categories and events. If your child is interested in an event, you may contact the event director or Sera Huff. There will be a sign-up posted at a later date. Due to the large number of students, event directors will select participants based on the student's abilities.
