

## 2022 SACS – Southeastern Association of Christian Schools

March 30 – April 1

SACS is a competition by area Christian schools to give high school students an opportunity to discover, improve, and use their God-given talents and abilities. We encourage all students to participate in any category they can.

The competition is a 3-day/2-night event at a host school. HCS will pay the registration for each participant, but each participant is responsible for their hotel and meal expenses.

Our high school teachers will be attending this competition, so there will be no classes on campus during the competition.
